

POWER

CONCEDES NOTHING WITHOUT A

DEMAND

IT NEVER DID AND IT NEVER WILL

-- FREDERICK DOUGLASS

WHY VOTE?

USE IT OR LOSE IT

The outcome of the 2012 election will affect your life. If you don't act to protect your interests, who will? Don't give away your power!

VOTING IS THE KEY

Politicians listen to voters and donors. Unless you can write a big check, your power comes from joining others to vote them in — or out.

YOUR VOTE IS YOUR LEGACY

Your ancestors fought, bled, and died for your right to vote. Don't let apathy or voter suppression take that away from you or your children.

VOTING IS JUST THE BEGINNING

Decisions made by politicians affect everything: your income, family, education, etc. Stay involved. Write a letter to the editor, advocate for a cause, run for office.

Early Voting Dates:

OCT 18 - NOV 3

Election Day:

NOVEMBER 6
